THE NEXT GENERATION

SPONSOR A CHILD PROGRAM

by Brian Hays

Witnessing a child receive their graduation diploma in the presence of their parents, teachers, and church community is truly heartwarming. In the last half of December, the 75 children you sponsored proudly attended their graduation ceremonies, advancing to the next grade with their diplomas in hand.

The joy was palpable, and I hope you find this report as uplifting as we do. As Hebrews 11:1 reminds us, "Faith is the substance of things hoped for; the evidence of things not seen." While we may never fully see the future these children will grow into, we can take comfort in knowing that we played a crucial role in their development.

GRADUATION

We deeply appreciate everyone who helped us achieve our education this year. Your support means the world to us!

“You automatically lose the chances you don't take.”

From August 3rd to 10th, 2024, a dedicated mission team of 34 members ministered to the seven churches of El Camino Y la Verdad in Choluteca, Honduras. Over three days, they provided comprehensive medical, dental, vision, and health and wellness services.

Each day began with a devotion and prayer session for the patients. Following this, women and children spent around 45 minutes in meaningful conversations with the health and wellness team. Subsequently, each individual received the necessary medical, dental, pharmacy, and vision care.

On Friday, Vacation Bible School brought all the communities together. In total, there were 1,741 interactions between the mission team and those they served.

Every year since 2006, we have assessed the social and political landscape in Honduras to guide our approach to the mission field in Choluteca.

After much prayer in and seeking His guidance, we felt the Lord calling us to go. It was truly wonderful to experience the orchestration of His plan and to follow His lead

From the very beginning, we were destined to work together to enhance the lives of this community, and each year, we witness positive outcomes.

We are deeply grateful to you, our supporters in ministry. May God richly bless you, and be on the lookout for what He has planned for us in 2025.
